Use undiluted.

PRODUCT

SPRAY AND WIPE
Dilute 50ml into 1L of water.

PRODUCT
WATER

MOPPING OR HEAVY SOILING
Dilute 140ml per litre of water.

PRODUCT
WATER

DIRECTIONS

This product can be used to a clean variety of hard surfaces and can also be used as a no-rinse cleaner-sanitiser in food processing areas in accordance with its MPI Approval. For toilets and heavy soiling, use undiluted. For spray and wipe application, dilute 50ml into 1L of water. For mopping or heavy soiling, dilute 140ml per litre of water.

MPI APPROVAL

MPI APPROVED C101-87 (All animal product except dairy)
Before use, all edible product and packaging material must be removed from the room or carefully protected. After use, a rinse with potable water is not required but food contact surfaces must be thoroughly drained/dried to minimise residues.

GREEN STANDARDS

Meets or exceeds EU biodegradability standards, meets Kemsol Green environmental standards and is Eco Choice Aotearoa licensed.
