

Kemsol

ENZY-BOOST

PRODUCT INFORMATION

Antibacterial, Triple-Enzyme-Boosted Laundry Powder

Fully built, antibacterial, bio-enzymatic laundry detergent with oxygen bleach for extra power on laundry linen and garments. Removes 99% of germs*. It contains a blended combination of alkaline salts, water conditioners, surfactants and a triple enzyme system which help break down stains from blood, food, starch residues, and other soils. Stable to approximately 60°C and is safe for cottons, synthetics and blends. Can be used as an effective pre-soak.

DIRECTIONS

Add at a ratio of 10gm per kg dry weight laundry. May also be used as a soak agent, at the same ratio, prior to laundry wash, for a minimum of 2 hours.

**Independent testing has shown that Kemsol Enzy-Boost has an overall 99% kill rate against P.aeruginosa and E.coli when used at room temperature with a contact/wash time of 10 minutes.*
