

KEM GUARD

PRODUCT INFORMATION

Water Repellent Barrier Cream

Lightweight, gentle cream formulated to shield the skin from water and oil-based soiling. Supports the prevention of dryness, irritation, and cracking. Consistent application promotes lasting protection against skin conditions such as industrial dermatitis. The pH-balanced formula aligns with the skin's natural level, ensuring optimal comfort and compatibility.

DIRECTIONS

Apply a small amount evenly to clean, dry hands before starting work. Ensure to work the cream in and around fingers including the nails and allow a couple of minutes for it dry. Re-apply as required or after washing and drying your hands.

SHIELDS SKIN FROM IRRITANTS

BALANCES SKIN'S NATURAL PH
